

About our cellar...

It is fun to work with such a grand cellar, but what makes a wine program special has less to do with a room full of bottles and more the reason for collecting them. We collect so that one day, for whatever reason you choose to dine here, we might have a wine that celebrates you and what you bring to the table: your story, the events you choose to hallmark, the nights you've chosen to slow time down, to pause and remember. Our hope is that we've found the right bottle to pair with the right person, the perfect evening.

With this list we hope to accurately express the times we live in. It's a collection as diverse as our team and our guests and their many reasons for coming together. These bottles represent relationships we've cultivated for generations and those we've just begun. We love wines that express the grape, the land, and a respect for those who work the land. We love a classic wine, of which we have plenty. More and more, though we get excited about those that shine a hopeful light on the future and our individual and collective roles in it. It's a grand collection, but really it's just a room full of bottles that exist to celebrate people.

To that end we are endlessly curious to share and explore it with you.

WINE PAIRINGS

Starting at \$200 per person

Guests seeking a wine pairing are invited to describe their ideal wine experience—favorite varieties, regions, or tasting notes—and let our sommeliers tailor a selection to match. Or, simply name your price and give the wine team free reign to raid the cellar—either way you'll be in for a treat.

Limited availability

Corkage: \$50 per bottle

We're happy to open two 750ml bottles per reservation. We ask that the bottles not be on our list.

Service

A 20% service charge will be added to your final bill and fully retained by Canlis.
