Corkage

We happily open up to two bottles (not on our list), for \$10 per person, per 750ml bottle, per reservation.

Service

A 20% service charge will be added to your final bill and fully retained by Canlis.

A cellar decades in the making...

Yet what makes our wine program is less the acquisition of bottles and more the reason for collecting them: So that one day, for whatever reason you choose to dine here, we might have a wine that honors and celebrates that which you bring to the table. Your story, the events you choose to hallmark, the nights you've chosen to slow time down, or to pause and remember. Hopefully we've found a bottle for all people, one that can complement any occasion.

With this list we hope to accurately express the times we live in. It's a collection as diverse as our team and our guests and our reasons for coming together. These bottles represent relationships we've cultivated for generations and relationships we've just begun. We love wines that express the grape, the land, and a respect for those who work the land. We love a classic wine as well as those that shine a hopeful light on the future and our individual and collective roles in it. It's a grand collection, but it's just a room full of bottles that exist to celebrate people.

To that end we are endlessly curious to share and explore it with you.
