PRIVATE DINING

# WELCOME

After sixty years of hosting Seattle's most treasured events, we are proud to present what we consider the most trusted private dining experience in the country. We offer finely appointed rooms with dazzling views, attentive yet invisible service and award-winning wine and cuisine. But the heart of the party, the significance of it, comes from you. Our role will be to pamper you in any way we can, support you at every turn, and rally behind your cause as if it were our own. Truly, we get such joy from doing so.

We want your evening at Canlis to be a celebration of warmth, generosity and exquisite dining. We host events such as family reunions, board meetings, retirement parties, anniversaries, weddings and rehearsal dinners, bar mitzvahs, cocktail parties, winemaker dinners, as well as personal and company parties of all kinds. Whatever the occasion, we are here to help you celebrate.

At Canlis, we offer a full-time event planner, a staff of sommeliers (wine experts) and direct access to our Chef in order to help you through the planning of your event. Finally, if my brother or I may help you in any way, we hope you'll call on us personally. We are here to serve you. Thank you for giving us that opportunity.

Welcome.
