CANLIS

September 2022

WELCOME

After seventy years of hosting Seattle's most treasured events, we are proud to present what we consider the most trusted private dining experience in the country. We offer finely appointed rooms with dazzling views, subtly attentive service, and award-winning wine and cuisine. We also recognize that the heart of the party, the true significance of it, comes from you. Our role will be to pamper you in any way we can, support you at every turn, and rally behind your cause as if it were our own. We truly enjoy doing this.

The Canlis staff are experienced in hosting family reunions, board meetings, retirement parties, anniversaries, weddings and rehearsal dinners, bar mitzvahs and cocktail receptions, as well as personal and company parties of all kinds. To assist in planning, we offer a full-time event coordinator, a team of sommeliers and direct access to our kitchen staff.

Finally, if my brother or I may help you in any way, we hope you'll call on us personally. We are here to serve you. Thank you for giving us that opportunity.

- Mark Canlis & Brian Canlis

Similar to a reservation time, these are the times your guests will be invited to sit down for dinner. The private room is yours for the entire evening, so we recommend arriving before your selected seating time to enjoy cocktails and small bites. *Dining times are available on a first-come, first-reserved basis.*

A photograph of a modern interior staircase. The stairs are made of dark wood with a warm, reddish-brown glow from the lighting. A person in a dark dress is standing on the right side of the stairs, looking down. The walls are made of light-colored wood panels. The lighting is dramatic, coming from the top of the stairs and casting long shadows. The overall atmosphere is sophisticated and elegant.
