CANLIS

2023

WELCOME

After seventy years of hosting Seattle's most treasured events, we are proud to present what we consider the most trusted private dining experience in the country. We offer finely appointed rooms with dazzling views, subtly attentive service, and award-winning wine and cuisine. We also recognize that the heart of the party, the true significance of it, comes from you. Our role will be to pamper you in any way we can, support you at every turn, and rally behind your cause as if it were our own. We truly enjoy doing this.

The Canlis staff are experienced in hosting family reunions, board meetings, retirement parties, anniversaries, weddings and rehearsal dinners, bar mitzvahs and cocktail receptions, as well as personal and company parties of all kinds. To assist in planning, we offer a full-time event coordinator, a team of sommeliers and direct access to our kitchen staff.

Finally, if my brother or I may help you in any way, we hope you'll call on us personally. We are here to serve you. Thank you for giving us that opportunity.

A photograph of a modern interior staircase. The stairs are made of dark wood with a warm, reddish-brown glow from the lighting. A person's arm and shoulder are visible in the foreground on the right side, wearing a dark sleeveless top. The background shows a series of vertical metal rods or panels that create a textured wall. The lighting is dramatic, coming from the side and above, casting long shadows and highlights on the stairs and the wall.
